Arc
Workstation

Leading workplace furniture brand UFOU represents the core values many organisations strive for: innovation, sustainability, diversity, and inclusion.

Facilitating the rapid cross-border movement of European, Scandinavian, and Asia-Pacific design, UFOU's collection is a melting pot of cultural diversity that showcases a perfect fusion of East/West principles, manufacturing prowess, design thinking, and innovation brought together to create products that enhance and inspire a better life.

This core proposition inspires UFOU to blend progressive international design, local cultures, and global influences, resulting in a complex tapestry of design and manufacturing techniques that appeal to modern and sustainable thinking.

The logo for the company 'HOW.' is displayed in a bold, white, sans-serif font against a dark background.A close-up photograph of dark, curved roof tiles, likely made of wood or bamboo, arranged in a traditional overlapping pattern. The tiles are set against a dark background, creating a strong geometric and organic pattern.

Looking back to see forward.
The ARC collection is inspired
by traditional Chinese roof tiles,
highlighted with replaceable
cover plates—bringing not only a
diversity of colour combinations
but a smart and sustainable
solution for adaptive reuse.
