Φ:700mm x H:1050mm

### Dual-column cross base

Tablet with dual-column cross base round table board

W:1200mm x D:600mm x H:500mm

Tablet with dual-column cross base square table board

W:1000mm x D:500mm x H:500mm  
W:1200mm x D:600mm x H:500mm

### Features

- The default material of the desktop is 25mm thick MFC, with M001 angel white, and same color for the edge banding, straight edge, square corner
- Disc base is made of steel, 2mm thickness of the tube with 60mm diameter, the thickness of the disc plate is 8mm, with black glide
- Cross base is made of steel, 2mm thickness of the tube with 50mm diameter, the thickness of the cross foot is 9.6mm, with SY003 transparent glide
- The 1000mm/1200mm diameter round disc model has a power solution, with 114mm diameter of tube, and the power configuration is a hidden socket for pressing and lifting on the table (4 strong + USB + Type C). The socket panel and wiring are standard black
- Default leg color is C001 matte white

### Options

- The tabletop material options include HPL, Nano, and Veneer\*. and the edge banding will match the color of the tabletop.
- HPL, Nano, and Veneer materials use multi-layer board substrates, with the desktop bottom and frame top plate leveled and connected.
- Therefore, the height of the above materials is 6mm less than that of the MFC model.
- Chamfered edge is an option for all around table top
- Round corner is an option for the 4 corner of table top
- Base frame is available in colors C002/C101/C505

### CMF

| MFC         |      | HPL             |      | Veneer  | Nano | coating     |      |             |      |
|-------------|------|-----------------|------|---------|------|-------------|------|-------------|------|
| Angel White | M001 | Goat Gray       | H001 | Red Oak | V001 | Deep Gray   | N001 | Matte White | C001 |
| Oak Wood    | M104 | Planked Drift   | H101 |         |      | Starry grey | N002 | Matte Black | C002 |
| Walnut      | M105 | Planked Raw Oak | H102 |         |      |             |      | Black Sand  | C101 |
| Light Maple | M106 | Olive Afromosia | H104 |         |      |             |      | Clay        | C505 |
