

# Drum Base

By HOW.

The Drum Base table is a bold and contemporary addition to any collaboration or meeting space. With its distinctive and timeless design, this table is sure to add interest and style to any modern office environment. The base of the table can be configured with one, two, or three drum combinations, depending on the size of the top, and is available in a powder-coated steel or acoustic material upholstery finish.

The top of the table can be customised to your design needs, allowing you to create a unique and functional piece that is sure to impress.
