

ILLO

by Miniforms Lab

Nella versione tavolino, Illo si addolcisce sempre di più. Con volumi ridotti, si scopre la somiglianza con i pesi da palestra, ma state tranquilli, non dovrete alzarli. Sono una coppia di tavolini dall'aria spensierata e autentica che insegnano il concetto di leggerezza all'ambiente.

In its occasional table version, Illo looks even cuter. With its reduced volumes, it is reminiscent of gym weights, but don't worry, you don't have to lift it! It comes as a pair of tables, and their light-hearted, authentic look are a textbook example of lightness.

ILLO

by Miniforms Lab

Illo ha la testa tra le nuvole. Lo abbiamo fatto esagerato nelle forme per renderlo dolce e accogliente. È una scultura stravagante che bilancia al meglio il rapporto tra funzionalità e fantasia. Disponibile in versione da pranzo, da bistrot e da salotto.

Illo's head is in the clouds. We have given it overemphasized forms to make it soft and welcoming. This quirky sculpture offers the perfect balance between function and fancy. Available in three versions, for dining rooms, bistros and lounge rooms.
