Jason II
Lounge Chair

As if you were in a Norwegian Wood with lush trees and boundless land in sight. Elks and brown bears are chasing after each other. Behind them, glaciers and rivers are stretching on along the horizon...Inspired by splendid Nordic scenery, Jason's designer integrates the aura of natural landscape into his design, and creates an office environment with burlywood where men and nature could co-exist harmoniously. Sit down, immerse yourself in the fragrance of nature, and free your soul from urban noises.

JASON II
