Fitin Mobile Ped

Leading workplace furniture brand UFOU represents the core values many organisations strive for: innovation, sustainability, diversity, and inclusion.

Facilitating the rapid cross-border movement of European, Scandinavian, and Asia-Pacific design, UFOU's collection is a melting pot of cultural diversity that showcases a perfect fusion of East/West principles, manufacturing prowess, design thinking, and innovation brought together to create products that enhance and inspire a better life.

This core proposition inspires UFOU to blend progressive international design, local cultures, and global influences, resulting in a complex tapestry of design and manufacturing techniques that appeal to modern and sustainable thinking.
