N Box by UFOU
Modular Lounge and Soft Zoning

UFOU

In the open office environment,
the N Box collection
introduces a brand new
perspective

N Box cleverly achieves the
balance between personal
privacy and teamwork

It easily transforms any open
space into a multipurpose
working space

The N Box Collection Includes:

- Modular Lounges
- Ottomans
- Freestanding Sofas
- Booth Seating
- Focus Pods
- Collaboration Tables

The diverse range of possible combinations delivers everything that evolving modern workspaces need

1590mmD

Soft Seating Features

1. Material

- The sofa is divided into three components: the backrest, the seat cushion, and the screen.
- The interior of the sofa and the screens are constructed from high-strength plywood, covered with high-resilience foam and your chosen fabric.
- The table top of the 4-seater enclosed module is a 25mm MFC board with a straight-edge finish as standard.

2. Colours/Finishes

- For modules without a screen: the base frame is the same colour as the cushion as default.
- For modules with a screen: the base frame is the same colour as the screen as default.
- Backrest, cushion and screen fabrics can be selected from different grades and colours.
- Standard finishes:
 - Combined sofa legs: SY001 Black
 - Standalone sofa wooden legs: W002 Red Oak with X001 Clear finish
 - 4-seater modular sofa leg columns: C002 Matte Black

3. Configuration

- Combination sofa modules are connected with alligator buckle fittings.

4. Power Supply

- The standard power setup for the 4-seater modular sofa includes:
 - 1 desktop socket unit
 - 2 standard power outlets + 1 USB + 1 Type-C port (in white as standard)
 - 1.8m black power cord + 0.5m connection cable
- Table corners are supplied with rounded corners as standard.

Other Options

- Freestanding sofa wooden legs are also available in W002 Red Oak with X002 Black finish - see finishes on page 16.
- Desktop power supply is also available in black – please note colour preference when ordering.
- The desktop edge for the 4-seater enclosed module can be supplied with a bevel edge (not reversible on the power side).
- Table top finishes are available in:
 - H001 Goat Grey
 - V001 Red Oak with X001 Clear finish
- Fabric can be selected from the lists on pages 11-15.

Combinations

Combination 1

Focus Booth Features

Features

1. Material

- Table tops are made from 25mm MFC board, with a straight-edge finish as standard.

2. Colours/Finishes

- Standard table top colour is M001 Angelic White.
- Edge band matches the table top colour.

3. Power Supply

- Standard power setup includes a tabletop socket with:
 - 2 standard power outlets + 1 USB + 1 Type-C port (white as standard)
 - 1.8m black power cord + 0.5m mating cable

Other Options

- Screen fabrics can be selected from the lists on pages 11-15
- Table top finishes are available in:
 - H001 Goat Grey
 - V001 Red Oak with X001 Clear finish
- Desktop power supply is also available in black – please note colour preference when ordering.
- Table edge can be supplied with a bevelled edge; the default connection between table and screen remains straight-edge.

Table System

Collaboration Table

1630mmW x
1380mmH x
1050mmD

Tabletop
1600mm x
990mm

Revolving Table

780mmW x
640mmH x
600mmD

Tabletop
600mmØ

Table System Features

1. Material

- Revolving side table: 18mm MFC board, straight-edge finish as standard.
- Collaboration table: 25mm MFC board, straight-edge finish as standard.
- Hanging screens for collaboration tables are built with multi-layer board, covered with foam and fixed to the table board.

2. Colours/Finishes

- Table board: M001 Angel White with matching edge band (standard).
- Side table cabinet: steel, standard coating C001 Matte White; metal tube column matches cabinet. Cabinet top: M107 Breezy Oak.
- Collaboration table legs: steel, standard coating C002 Matte Black.

3. Configuration

- Revolving side tables are designed for combination sofa modules only, connected via alligator buckle, and cannot be used separately or at the start/end of a module.

4. Power Supply

- Both side tables and collaboration tables feature embedded power supply by default:
- 2 standard power outlets + 1 USB + 1 Type-C port

Other Options

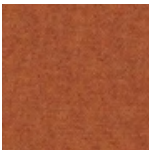

- Fabrics can be selected from the lists from page 11-15.
- Table top finishes: H001 Goat Grey / V001 Red Oak + X001 Clear.
- Embedded power supply is available in black and white – please note colour preference when ordering.
- Chamfered edges can be applied to revolving side tables and collaboration tables.
- The joint between collaboration table board and screen is a straight-edge by default.
- Optional support arm for collaboration table: requires a hole of 10–15mm diameter on the table board.
