# Welcome to Ollin.

Ollin, our revolutionary monitor arm, supports the screen technology of today and helps the user prepare for the screen technology of the future.

> Constantly shifting and morphing with each day, the world of business is never static. A productive workplace should reflect this in its ability to evolve with changing business requirements. Cloud computing and the use of hybrid laptop/tablets are shifting how and why computer screens are used, and as developments in technology increase, the need for the workplace to be more responsive has never been more relevant.

As business's adopt and adapt their workspace's to accommodate new technologies, Ollin is a solution that can grow and evolve with this changing technology in the modern workspace. Encouraging users to interact with technology and each other as seamlessly as possible.

#### SEE THE LIGHT

As technology advances, screens are becoming lighter and often more compact. Ollin's unique technical cord supports weights from Okg up to 9kg, helping business's stay in touch as technology advances, and screens become lighter and more mobile.

And as this trend continues, Ollin can grow and adapt to the latest technology.

#### TWO GOOD

As dual screen working becomes more prevalent in the workspace, Ollin's ability to be easily adapted offers a solution to support this shift in working styles. A dual screen mount can be attached to the main arm, and because there's no need to provide a separate arm for each screen, expenditure is kept to a minimum while productivity increases.

Ollin is a cost effective, future proofed solution to the changing configurations of modern workstations.

## **TECHNICAL SPECIFICATION SHEET**

**RODUCT NAME:** Ollin Dynamic Monitor Arm PRODUCT CODE: OLN/009/010 17.02.2017 KO

Doc Rev 2. Product Rev #A

## **KEY FEATURES**

- Articulation range and smoothness of motion is best in class.
- Supports Okg to 9kg load range, ideal for mounting lighter technology, e.g. slim & lightweight • monitors, tablets, laptops, hybrids, etc.
- Powered by innovative 'Technical Cord' system (rather than a spring or gas strut.)
- Easy 'tool-free' adjustment by means of an integral 'thumbwheel' adjuster. (An allen key tool can also be used if preferred.)
- Indicator window displays weight setting to speed multiple installations.
- Reconfigurable 180° stop (to prevent clash with rear mounted furniture panels.)
- 3 point cable management guides cables tidily from monitor to desktop.
- Also available: A range of interchangeable front-end accessories to tailor the function of the arm, including: Dual Screen Mount Bar, Tablet Mount, Laptop Mount.

Product Classification:	Monitor Arm
Mounted Load Range:	Okg to 9kg. (Olbs to 20lbs.)
Horizontal Range:	674mm
Vertical Motion Range:	367mm
Tilt Range:	+80° / -10°
Recycled content:	65%
Total product recyclable:	99.5%

#### LOGISTICAL

Box contains	Ollin arm, VESA mount plate & VESA fixing screws, optional security screw, cable management clip, optional adjuster cover, 4mm allen key.
Product net weight:	2.35 kg
Box dims:	385mm x 365mm x 100mm*
Box gross weight	3kg
Carton quantity	6 pcs
Master carton dims:	555mm x 375mm x 310mm*
Master carton weight:	19kg*
Pallet quantity:	72pcs (12 cartons)*
Pallet weight:	247kg*
Country of origin	China
Country of configuration	UK
Note*: Some logistical data is estimated and	subject to future confirmation.

#### **ORDERING INFORMATION**
